Visit www.HCSWarriors.org for more info.

April 28, 2018

8am til Noon

Greetings Parents!

On Saturday, April 28 we will have the June Miguez Warrior Walk/5K Fun Day at Hamilton. Mrs. June has been at Hamilton since day one and embodies what we stand for as a school. She is a breast cancer survivor and teacher extraordinaire. Part of the proceeds from this event will go to Hamilton's own 12th grader Gracie Johnson who is currently fighting a brain cancer diagnosis.

WE NEED EVERYONE TO ATTEND! PLEASE!

This is going to be a fun and meaningful day for your children. Cost is minimal. Wrist bands will be sold for \$5 which allows for all activities other than the cake walk. Hamilton families with runners will receive a wrist band along with their T-shirt. Runners need to register online by Wednesday, April 18 in order to assure they receive a T-shirt.

Elementary students will perform at the beginning of the event and again at the end. Invite your whole family as there will be entertainment going on all morning. Please plan to be on campus at 7:45 am. We will wrap up the day between 11:30 and noon. Elementary students, please wear Friday shirts and bottoms of choice. We will do pictures before they head off to Fun Day. Bring your lawn chairs

It is not often that I will plead with you but this is such a time. We need our parents to get behind this event, invite young and old, sign up for the 5k with your family through the website. Spread the word. We need your voices and presence.

Thanks so much!

BUT LET YOUR 'YES' BE 'YES,' AND YOUR 'NO,' 'NO.' MATTHEW 5:37

From Dr. McEntire

But let your 'Yes' be 'Yes,' and your 'No,' 'No.' Matthew 5:37

The faculty of HCS has benefitted from an approach to discipline called "Love and Logic." The materials are presented through books and seminars to both educators and parents. Here is the "Reader's Digest" version of the approach from Dr. Charles Faye. It is a good one.

1. Demonstrate unconditional warmth and love.

Kids feel this magical type of love when their parents spend plenty of time with them, when their parents focus on their strengths, and when their parents display empathy instead of anger or sarcasm when things go wrong.

2. Let your "yes" mean "yes" and your "no" always mean "no."

Great parents are extremely careful to set only the limits they know they can enforce. They remember this important rule for setting limits: Never tell a stubborn child what to do. Instead, describe what you will do or allow.

3. Allow your kids to experience the logical and natural consequences of their decisions.

Isn't it hard to watch our kids struggle with the consequences of their mistakes? While it breaks our hearts at times, allowing them to learn in this way gives them a tremendous advantage as they grow. They develop respect, responsibility, and a good grasp of good old- fashioned common sense. The key, of course, is to display empathy rather than anger.

Raising great kids really can be a joy when we remember that we don't have to overcomplicate things with too many skills and too much theory. Keep it simple and enjoy your kids.

Registration 2018/2019

The registration fee (for 1st grade and above) is now \$375. A reenrollment email was sent from Hamilton Christian via RenWeb. You will use your existing parent's web login at renweb.com to reenroll. The district code is HCA-LA. You must submit your packet, pay the HCS registration fee and the RenWeb enrollment fee for your student to be enrolled for this coming Fall. Email ccarlson@hcawarriors.org if you have any reenrollment questions.

Re-enrollment

Students who have enrolled for next year, even though they already have a FACTS account set up, have to **set up a new agreement** for next year for the tuition to be drafted. Many of you have bypassed that part of the enrollment packet. The finance department cannot add any transactions to be **drafted starting in June** until a new payment plan is set up.

If the decision has been made for your student NOT to return to Hamilton next year, there is a place on the RenWeb re-enrollment page to indicate this.
