I have seen something else under the sun:
The race is not to the swift
or the battle to the strong,
nor does food come to the wise
or wealth to the brilliant
or favor to the learned;
but time and chance happen to them all.

Ecclesiastes 9:11

From Dr. McEntire

"I have observed something else under the sun. The fastest runner doesn't always win the race, and the strongest warrior doesn't always win the battle. The wise sometimes go hungry, and the skillful are not necessarily wealthy. And those who are educated don't always lead successful lives." *Ecclesiastes 9:11*

Parents and educators often hear, "That's not fair." When my kids try that on me I say something like, "You are right. You could have been born in Africa and live in hut with dirt floors." Can we in any way suggest that we deserve to have been born in a land of plenty? Those of us with good health, a loving family, and a little money in the bank really look like whiners when we start to complain.

Thank God for what you have and trust God when life seems to be unfair. He assures us that the day will come when he will make everything right. Just be sure that the coming cataclysmic course correction lifts you up and doesn't pull you down. Humility comes before honor (Proverbs 15:33b). Even if all of this life seems like humility, it will be worth the honor of being a doorkeeper in the House of God (Psalm 84:10).

I truly pray the summer is a blessed time for you and your family and hope to see you in the fall.

Looking forward to the fall

Re-enrollment

Students who have enrolled for next year, even though they already have a FACTS account set up, have to **set up a new agreement** for next year for the tuition to be drafted. If the decision has been made for your student NOT to return to Hamilton next year, there is a place on the RenWeb re-enrollment page to indicate this.
