## From Dr. McEntire

Amanda Hufstedler is the pre-K 3 teacher and is doing a wonderful job. She has a track record with the little ones and her expertise shows in the way she conducts class and handles discipline. Most of all, I appreciate her heart for each child. Some have struggled to make the adjustment to school, but Ms. Amanda has shown marvelous patience, Christ-like concern, and unconditional love. If you want a peek into life in pre-K 3, check out the pictures for October 1 on the Warrior Exchange page on Facebook.
